SEPTEMBER CLEAN-UP DUMPSTERS

will be available September 8 and 9, 2023 for quarterly residential clean up; there will be 3 dumpsters at Little League Parking Lot and one at the Town Hall west side parking lot. Please do not leave trash on the ground before the dumpsters arrive or after they are full or have been removed. If you have large items that need disposed of like furniture and appliances, please call Republic Services to schedule a special bulky item pickup; their # is 628-2821. Please remember the dumpsters are not for disposal of hazardous waste materials, chemicals, pesticides, paint, batteries, tires, or construction site waste. For more information regarding hazardous waste materials please call 674-7623. Yellow recycle binnies are available at the Gubler Park to help with disposal of recyclables. Also, the St. George Reuse Center, located at 575 E. Brigham Rd, accepts removed vegetation for mulching; their phone is 435-627-4028.

WCWCD NEWS:

The district's Water Efficient Landscape Program (WELP) pays homeowners up to \$2 per square foot when you upgrade thirsty grass to water efficient landscaping. Every square foot of grass converted to water-efficient landscaping saves approximately 45 gallons of water a year. That's a lot of water! If you're only walking on the lawn when you're pushing the lawn mower, consider replacing the grass with colorful, water-smart landscapes. You'll save water, money, and time on yard work for years to come. Visit wcwcd.org for details. Also, check the website for free landscape workshops.

BLUE STAKES OF UTAH:

Please call Blue Stakes at least 48 hours before you begin any major digging project. This will allow time for all utility companies to be notified to come locate and mark the utility lines on your property before digging begins. Be safe, call Blue Stakes first at 1-800-662-4111.

H.E.A.T. PROGRAM:

Accepts applications to assist eligible households in need of help paying their home heating bills. This federally funded program is administered by the State of Utah. Payment amounts are based on income, energy use, and at-risk groups in the household. Residents who wish to apply for assistance call 435-652-9643 to schedule an appointment.

H.E.A.T. office location: 1664 S Dixie Dr. Unit L-104 St. Geo. UT 84770, in Dixie Commons.

Santa Clara Swiss Days will be held **September 21-23, 2023**. You can find event information on the Swiss Days link on the city website at www.sccity.org. You can register for the 5K Run/Walk on the website thru the Runnercard link. Parade and Swiss Miss/Mister applications are also open on the website. Sponsor information is posted on the Swiss Days link as well; if you are interested in being a Swiss Days Sponsor, please contact the city at 673-6712 EXT 210. We have a variety of sponsorship opportunities available that would be of value in promoting your business, including options giving exposure to your business for the entire month of September, as well as the weekend of Swiss Days. Swiss Days cows are also available now for purchase at the Town Hall office. Get your cow early to paint and decorate to represent your family and your creativity! The cows can be placed on Santa Clara Drive during the entire month of September. We are looking forward to another great Swiss Days event this year and hope you will save the dates and join us for this special celebration where history and family fun come together! Schedule of events available on the city website.
